When we arrange insurance on your behalf, we ask you for the information we need to advise you about your insurance needs and management of your risks. We provide any information that the insurers or intermediaries who we ask to quote for your insurances and premium funding require to enable them to decide whether to insure you and on what terms. Insurers may in turn pass on this information to their re-insurers. Some of these companies are located outside New Zealand.

When you make a claim under your policy, we assist you by collecting information about your claim. Sometimes we also need to collect information about you from others. We provide this information to your insurer (or anyone your insurer has appointed to assist it to consider your claim, e.g. loss adjusters, medical etc) to enable it to consider your claim. Again this information may be passed on to re-insurers.
